NOTICE OF DECISION

On Application for Consent

Subsection 53(17) of the Planning Act

On the above noted date, the Minister of Municipal Affairs and Housing gave provisional consent for the creation of a new lot to **Application No. 59-C-210506** in respect of land in the geographic township of Senn in the District of Rainy River. A copy of the decision is attached.

When and How to File a Notice of Appeal

Notice to appeal the decision to the Local Planning Appeal Tribunal must be filed with the Minister of Municipal Affairs and Housing on or before the last date of appeal as noted above.

The notice of appeal should be sent to the attention of Andrew Carr, Planner at the address shown below and it must,

- (1) set out the reasons for the appeal, and
- (2) be accompanied by the fee prescribed under the *Local Planning Appeal Tribunal Act* in the amount of \$400.00, payable to the Minister of Finance, Province of Ontario.

Who Can File a Notice of Appeal

Only individuals, corporations or public bodies may appeal decisions in respect of applications for consent to the Local Planning Appeal Tribunal Act. A notice of appeal may not be filed by an unincorporated association or group. However, a notice of appeal may be filed in the name of an individual who is a member of the association or group.

Effect of Written and Oral Submissions

No written or oral submissions were received.

How to Receive Notice of Changed Conditions

The conditions of a provisional consent may be changed at any time before the consent is given.

You will be entitled to receive notice of any changes to the conditions of the provisional consent if you make a written request to be notified of changes to the conditions of approval of the provisional consent.

Subject Lands:	PIN 56032-0092, PIN 56032-0152, PIN 56032-0120 and PIN 56032-0151, territory without municipal organization, geographic township of Senn, District of Rainy River.		

The Minister's conditions to the granting of consent for this transaction **which must be fulfilled within one year from the date of this letter** are set out below. These conditions must be fulfilled prior to the granting of consent.

No. Conditions

1. That this approval applies to permit the creation of one new by severing PIN 56032-0092 and PIN 56032-0152 from PIN 56032-0120 and PIN 56032-0151, as applied for, on Burditt Lake in the above noted location in the geographic township of Senn in the District of Rainy River.
2. That the following documents be provided for the transaction described in Condition 1:
 - a. A copy of the application to transfer documents;
 - b. A schedule to application to transfer on which is set out the entire legal description of the parcel(s) in question. This Schedule must also contain the names of the parties indicated on application to transfer; and
 - c. A reference plan of survey, which bears the Land Registry Office registration number and signature as evidence of its deposit therein, illustrating the parcel(s) to which the consent approval relates; and/or a legal description of the lands to be severed which is acceptable to the land registrar.
3. That prior to final approval, the Ministry must be advised in writing by the Northwestern Health Unit that each the severed and retained lands have been inspected and are suitable for the installation of a subsurface sewage system, or that existing systems meet their requirements.
4. That prior to final approval, written confirmation is received which states that there is adequate capacity to dispose of hauled sewage generated by the severed and retained lands. This written confirmation should take the form of a letter from the holder of an Environmental Compliance Approval (ECA) for an approved septage disposal facility, referencing the disposal facility and the related Ministry of the Environment, Conservation and Parks (MECP) approval, and confirming that the disposal facility has sufficient reserve capacity to accept hauled sewage from the proposed lots.

3. Approval must be obtained from the local Health Unit for all sewage systems that require a permit, including greywater systems but excluding pit privies. The importation of suitable fill may be required to construct sewage treatment systems to the satisfaction of the Northwestern Health Unit. The Health Unit can also provide information on construction requirements, including minimum distances required between sewage systems and sources of potable water.
4. New wells must be installed in accordance with the requirements of Ontario Regulation 903 (Wells). Water quality and quantity testing should be completed for each new lot in accordance with MECP's "*Technical Guideline for Private Wells*" (1996) and conducted by a qualified professional. If water from test wells exhibit values for health and aesthetic parameters that are above the Ontario Drinking Water Standards, the water must be treated prior to consumption. Upon well installation, a qualified professional should also demonstrate that there is an adequate quantity of groundwater available to meet the requirements of the residence without interference to adjacent properties.
5. Please notify the Ministry of Heritage, Sport, Tourism, and Culture (MHSTCI) (at archaeology@ontario.ca or 416-314-7620) if archaeological resources are impacted by any ground disturbing work.
