Dear Sir/Madam:

**Re: Application for Approval of Sewage Works  
Stormwater Management Works and storm sewers to service Bronson Development  
City of Ottawa  
Reference Number 4166-BSFUTG**

As confirmed via an e-mail dated April 14, 2021, that the proposed Works indicated in this ECA application has already been approved under ECA # 9551-BXEP3E dated January 29, 2021, under the Ministry's Transfer of Review (ToR) Program. Hence, this ECA application is considered withdrawn and the above-noted file is now closed.

The submitted application fee will be refunded shortly in the amount of \$2,900.00 which represents the amount submitted reduced by the non-refundable administrative processing fee of \$200.

If you wish to pursue your original proposal in the future, you will need to submit a new application complete with all required supporting information and appropriate application fee.

We also emphasize that under section 20.2 of Part II.1 of the Environmental Protection Act, (Act) you are required to obtain an approval under section 20.3 of Part II.1 of the Act before construction, alteration, extension or replacement of any sewage works.

If you have any questions regarding the above, please contact Miten Shah, Review Engineer Air/Water at (437) 247-8030.

Yours truly,
