Dear Natacha Boire:

Reference Number 5400-C6VHF3**

As indicated in an email dated January 7, 2022 from your consultant Tatham Engineering Limited, and an email dated February 3, 2022 from new owner's consultant R.J. Burnside & Associates Limited, there are changes in ownership as well as the design of proposed sewage works, your application is considered withdrawn and the above-noted file is now closed.

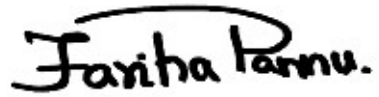

The submitted application fee will be refunded shortly in the amount of \$5,400 which represents the amount submitted reduced by the non-refundable administrative processing fee of \$200.

If you wish to pursue your original proposal in the future, you will need to submit a new application complete with all required supporting information and appropriate application fee.

We also emphasize that under section 20.2 of Part II.1 of the Environmental Protection Act (Act), you are required to obtain an approval under section 20.3 of Part II.1 of the Act before construction, alteration, extension or replacement of any sewage works.

If you have any questions regarding the above, please contact Nancy He, P.Eng., Senior Wastewater Engineer at email: nancy.he@ontario.ca
