Dear Amin Hooda:

**Re: Application for Approval  
Amendment to ECA No. 7069-9Y6NKK - Modification to Sewage System to service  
Maple Grove Trailer Park  
Guelph/Eramosa Township, County of Wellington  
Reference Number 6926-BV7JWT**

This is to advise you that we have not received all of the required information to complete the review of this application. As per Teika Zilans's e-mail dated August 3, 2021, we understand that the remaining information is not yet available at this time. As such, the above-noted file is now administratively closed.

If you wish to pursue your original proposal in the future, you are required to submit all of the following information, along with a copy of this letter and details of any other updates related to the proposed works:

1. A revised sewage works design, as per Teika Zilans's email dated July 22, 2021.
2. Comments from the ministry's Technical Support Section on the revised sewage works design.
3. An updated Financial Assurance estimate.
4. An update on your efforts to enter into a Municipal Responsibility Agreement with the local municipality.

Please submit the above information to the ministry as soon as it is available, via an e-mail to Yuefeng Zhang (Yuefeng.Zhang@ontario.ca) and Fariha Pannu (Fariha.Pannu@Ontario.ca). Please also ensure that your response to the above items is signed and stamped by a Professional Engineer. The ministry will review the submitted information for completeness and if satisfied, the ministry will re-open the file, and continue the detailed technical review.

The submitted application fee in the amount of \$5,200 will be retained by the ministry and will be transferred to the ministry initiated ECA application upon re-opening of the file.

We also emphasize that under section 20.2 of Part II.1 of the Environmental Protection Act, (Act) you are required to obtain an approval under section 20.3 of Part II.1 of the Act before construction, alteration, extension or replacement of any sewage works.

If you have any questions regarding the above, please contact Nick Zambito, Senior Waste Engineer at (416) 314-5584.

Yours truly,
