Dear Ms. Saunders:

**Re: Exploration Permit Application PR-22-000126, Confederation Belt East Project, Earngey Township, Mitchel Township, Bowerman Township, Knott Township, Slate Lake Area, Red Lake District, NW Region.**

Attached is your exploration permit, PR-22-000126, issued pursuant to subsection 78.3(2) of the *Mining Act*, R.S.O. 1990, Chapter M.14. This permit is subject to the requirements of the Mining Act, Ontario Regulation 308/12, the applicable Provincial Standards for Early Exploration and any additional Terms and Conditions in the permit that are specific to your project.

Please note the attached exploration permit is effective for a period of three (3) years.

If there are changes to any names or addresses on the permit please advise the Ministry of Northern Development and Mines (MNDM) and the information amendment will be made to your exploration permit. If you would like to make changes to the exploration activities such as the type of activity, location of activity or scale of the work please follow the amendment process and contact MNDM for further direction.

I encourage you to have ongoing discussions with the Aboriginal communities in the area of your project, to work in a collaborative way, and continue to advise them of your future exploration plans.

If you have any questions regarding this letter please do not hesitate to contact Douglas Nikkila, Mineral Exploration and Development Consultant in the Thunder Bay office at [doug.nikkila@ontario.ca](mailto:doug.nikkila@ontario.ca), or 807-475-1106.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott Burgess".
