Dear Jason Haman:

**Re: Application for Approval  
Amendment to ECA No.16-SAU-91538 - Addition of a 3rd Drying Bed  
Huron Shores Municipality, District of Algoma  
Reference Number 5241-C44SL5**

As discussed in the telephone conversation on June 27, 2022 and emails dated June 24, 2022 with Christopher Munro, Senior Waste Engineer, you will not be able to provide all required supporting information at this time. Since we cannot process your proposal without this information, your application is considered withdrawn and the above-noted file is now closed.

In order to re-new your Environmental Compliance Approval No.16-SAU-91538, please submit a new application complete with all required supporting information and appropriate application fee at least 3 months prior to the expiry of the date of July 1, 2023. Within the application please also include hydrogeological and surface water assessments of the dewatering trenches, as well as, details of how the trenches are designed and constructed as per Conditions 5 through 17 of the ECA 16-SAU-91538.

We also emphasize that under section 20.2 of Part II.1 of the Environmental Protection Act, (Act) you are required to obtain an approval under section 20.3 of Part II.1 of the Act before construction, alteration, extension, replacement or change of use of a waste disposal site, including change of the type of waste handled at an approved site.

If you have any questions regarding the above, please contact Christopher Munro, Senior Waste Engineer at (437) 772-8538.

Yours truly,

Mohsen Keyvani, P.Eng.

Director

appointed for the purposes of Part II.1 of the *Environmental Protection Act*
