The Minister's certificate of consent will be affixed to the completed Schedule page. For this reason, the names of the parties also must be set out on the Schedule page, so that the consent may be properly related to the intended conveyance.

Inaccuracies or omissions with regard to the legal description in the Transfer/Deed of Land form, the Schedule page or the survey plan will result in the documents being returned without consent.

2. All Buildings, including those in unorganized territories, have been required to comply with the Ontario Building Code since December 31, 1975.

At this time in unorganized territory, building permits and the payment of permit fees are not required. Inquiries about the Building Code should be made to:

All documentation required for final approval should be provided to the Ministry of Municipal Affairs and Housing a minimum of one month prior to the lapsing date.

Because this consent application is for a lot addition, subsection (3) or (5) of Section 50 of the Planning Act, R.S.O. 1990, shall apply, to any subsequent conveyance or transaction. This will be set out in the Certificate of the Transfer/Deed of Land form upon endorsement by the Minister.
