Dear Brian Brunetti:

**Re: Application for Approval
ECA with Limited Operational Flexibility - Metals torching and processing
Hamilton City
Reference Number 5612-CEGKLG**

As requested in the email dated May 29, 2023 from your consultant Justin Tayles, Senior Air Quality Engineer, P.Eng. / WSP, your application is considered withdrawn and the above-noted file is now closed.

The submitted application fee will be refunded shortly in the amount of \$2,000.00 which represents the amount submitted reduced by the non-refundable administrative processing fee of \$200.

If you wish to pursue your original proposal in the future, you will need to submit a new application complete with all required supporting information and appropriate application fee.

We also emphasize that under section 20.2 of Part II.1 of the Environmental Protection Act, (Act) you are required to obtain an approval under section 20.3 of Part II.1 of the Act before construction, alteration, extension or replacement of any equipment or structure that may emit or from which may be emitted a contaminant into the natural environment.

If you have any questions regarding the above, please contact Pierre Godbout, Senior Noise Engineer at (437) 234-6249.

Yours truly,

Miroslav Ubovic, P.Eng.

Director

appointed for the purposes of Part II.1 of the *Environmental Protection Act*
