- 14. Sketch: Use the attached sketch sheet. To help you prepare the sketch, refer to the attached sample sketch.
- 14.1 The application shall be accompanied by a sketch showing, in metric units, the following:
  - The boundaries and dimensions of the subject land, the part that is intended to be severed and the part that is intended to be retained;
  - The location, size and type of all existing and proposed buildings and structures on the subject land, including their setback from the
    front yard, rear yard, side yard and opposite side yard;
  - · The boundaries and dimensions of any land abutting the subject land that is owned by the owner of the subject land;
  - The approximate distance between the subject land and the nearest township lot line or landmark, such as a railway crossing or bridge;
  - · The location of all lands previously severed from the parcel originally acquired by the current owner of the subject land;
  - The approximate location of all natural and artificial features on the subject land and adjacent lands that, in the opinion of the
    applicant, may affect the application, such as buildings, railways, roads, watercourses, drainage ditches, river or stream banks,
    wetlands, wooded areas, wells and septic tanks;
  - The current use(s) on land that is adjacent to the subject land;
  - The location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a
    public travelled road, a private road or a right of way;
  - If access to the subject land is by water only, the location of the parking and boat docking facilities to be used;
  - · The location and nature of any easement affecting the subject land;
  - The severed parcel, the date of transfer, the name of the transferee and the use of the land.

### 15. Other Information

15.1 Is there any other information that may be useful to the ministry in reviewing this application (e.g., information relating to the requirements and policies in the municipal official plan or efforts made to resolve outstanding objections or concerns by area resident(s), the municipality, other)?

If so, explain below or attach a separate page with this information.

THE DWELLINGS ON THE RETAINED & SEVERED PORTIONS ARE ALREADY SERVICED BY EXISTING PRIVATE SEPTIC FIELDS. (SEPARATE FROM EACH OTHER AND CONTAINED ON THEIR PORTIONS.) THEY ARE SIMILARLY SERVICED BY INDIVIDUAL PRIVATE DRILLED WELLS.

- 15.2 The original or certified copy of any other information and materials, as required by the official plan of the municipality/planning board, must be provided with this application.
- 15.3 Where applicable and relevant information is available in a planning report submitted to council, or in a technical study/report(s) prepared for the proposal, please provide the name, section and page number if you have referenced the study/report(s) in any of the questions above
