Dear George Radulovich:

**Re: Application for Approval
Renewal of Hauled Sewage (Septage) Servicing Roztek ECA# 16-Tim-86194
Timmins, District of Cochrane
Reference Number 0321-CEGHAR**

As requested in your email dated May 8, 2023, your application is considered withdrawn and the above-noted file is now closed.

If you wish to pursue your original proposal in the future, you will need to submit a new application complete with all required supporting information and appropriate application fee. Prior to applying for a new application, please ensure that your application has full support of the local Ministry District Office (Timmins) and local Ministry Technical Support Section.

If you wish to pre-consult with the Ministry on this application the Ministry is available either through the local District Office or Senior Waste Engineer's contact information below. As communicated, once the Ministry receives a fully completed application, the Ministry shall grant a priority review to your application.

We also emphasize that under section 20.2 of Part II.1 of the Environmental Protection Act, (Act) you are required to obtain an approval under section 20.3 of Part II.1 of the Act before construction, alteration, extension, replacement or change of use of a waste disposal site, including change of the type of waste handled at an approved site.

If you have any questions regarding the above, please contact Christopher Munro, Senior Waste Engineer at (437) 772-8538.

Yours truly,

Mohsen Keyvani, P.Eng.

Director

appointed for the purposes of Part II.1 of the *Environmental Protection Act*
