Dear Mr. Goodman

**Re: Exploration Permit Application, PR-23-000127, Goodman Nickel Copper Project
Bowser Lake Area and Frank Lake Area; Thunder Bay District**

Attached is your exploration permit, PR-23-000127, issued pursuant to subsection 78.3(2) of the *Mining Act*, R.S.O. 1990, Chapter M.14. This permit is subject to the requirements of the Mining Act, Ontario Regulation 308/12, the applicable Provincial Standards for Early Exploration and any additional Terms and Conditions in the permit that are specific to your project.

Please note the attached exploration permit is effective for a period of three (3) years.

If there are changes to any names or addresses on the permit please advise the Ministry of Mines (MINES) and the information amendment will be made to your exploration permit. If you would like to make changes to the exploration activities such as the type of activity, location of activity or scale of the work please follow the amendment process and contact MINES for further direction.

I encourage you to have ongoing discussions with the Aboriginal communities in the area of your project, to work in a collaborative way, and continue to advise them of your future exploration plans.

If you have any questions regarding this letter please do not hesitate to contact Larissa Stevens, Mineral Exploration and Development Consultant in the Thunder Bay office at (807) 630-9468 or, by email to Larissa.Stevens@ontario.ca.

Sincerely,

A handwritten signature in black ink, appearing to read "JG", written over a light blue horizontal line.
