Dear Sir/Madam:

RE: Environmental Compliance Approval Amendment (Air and Noise) Application
Lear Corporation Canada ULC., Ajax, Ontario
MECP reference number: 8134-CSRNOF

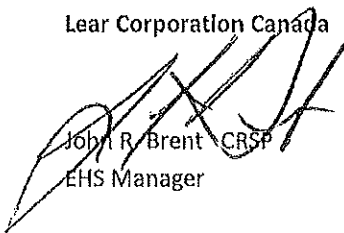

We are requesting to withdraw the ECA amendment application (submitted to MECP in June 2023) with the above reference number. The current contract for this facility to manufacture the automotive seats will expire in December 2023 and will not be extended. After that there will be no production activities at this location. The changes proposed in the amendment application are no longer required.

The company wants to keep the current ECA (No. 2620-946QYK, issued on January 31, 2013) active until further notice.

If you require additional information, please contact the undersigned.

Sincerely,

Lear Corporation Canada

John R. Brent CRSP
EHS Manager
