EAC021-2020

That it is the position of Brampton City Council, and consistent with the City position already in place with respect to the Heritage Heights Planning Area, that ERO Posting 019-2377 not include the 400 Series Highways for a streamlined Environmental Assessment, in so far as it impacts the Heritage Heights Planning Area within the City of Brampton, due to expected environmental and social impacts from the proposed 400 Series Highway Project in this part of the City, and that the Highway Project be subject to the full Environmental Assessment process.

Note: A. McNeill, Manager, Official Plan and Growth, Planning, Building and Economic Development, is hereby requested to make the appropriate submissions, in accordance with the recommendation above, through the Provincial Environmental Registry.
