Re: Draft New Official Plan, City of Peterborough
ERO: 019-4969
Ministry Reference Number: 15-OP-165376

Dear Mr. Schaefer:

Please find attached comments from the Township of Otonabee-South Monaghan with respect to the Draft Official Plan of the City of Peterborough which were sent to the City of Peterborough dated October 29, 2021.

The Council of the Township of Otonabee-South Monaghan directed the Chief Administrative Officer (CAO) through resolution to submit correspondence to the City of Peterborough advising of the significant concerns on the gross negative impact of the City's arbitrarily proposed revised planning policies as set out in the new Draft City of Peterborough Official Plan document to the Township of Otonabee-South Monaghan.

The Township's correspondence identified provisions which had been contained in stand-alone agreements with respect to Ministry approved amalgamation documents between the Township and City of Peterborough which are in effect but had been arbitrarily ignored and new policies being presented in the new Draft Official Plan for the City of Peterborough.

The correspondence referenced above sent to the City of Peterborough has been ignored with no attempt by the City to contact the Township to discuss these serious unresolved matters. This is a serious situation which requires attention by the Ministry of Municipal Affairs and Housing as the new draft City of Peterborough Official Plan is being reviewed for Provincial Approval.

Yours truly,
