Dear Minister Clark,

Norfolk County Council appreciates the opportunity to provide comments in respect of the review of proposed policies adapted from A Place to Grow and Provincial Policy Statement to form a new provincial planning policy instrument. Council is very supportive of one lot severance on farm parcels, rather than the proposed three severances.

Norfolk County Council also supports and encourages the on-going consultation with organizations representing the farming communities across Ontario.

Please be advised that at the Norfolk County Council meeting of July 18th, 2023, Council passed the following resolution:

That correspondence be sent to the Province in support of the government's review of Bill 97, and in support of one additional lot severance only; and

That Norfolk County Council encourages the Province to continue to consult with the farming community.

Sincerely,

A handwritten signature in blue ink that reads "Amy Martin".

Amy Martin
Mayor, Norfolk County

Cc: The Honourable Doug Ford, Premier
The Honorable Lisa Thompson, Minister of Agriculture, Food and Rural Affairs
Mrs. Bobbi Ann Brady, MPP Haldimand-Norfolk
