Manager/Part V Director
Waste Approvals
Environmental Permissions Branch
Ministry of the Environment, Conservation and Parks

The City of Timmins is in receipt of correspondence from the Ministry with regards to the following:

Application for Approval of Water Disposal Sites
Bristol Township Waste Disposal Site
Timmins City, District of Cochrane
Reference Number 3075-D2URV3

Note the City of Timmins comments are below:

The application is located on Crown Land within the City of Timmins. As such, please be advised of Section 3.5.1 Intent of Designation of the City of Timmins Official Plan that states (in part):

On Crown Land, the Province is largely responsible for resource management and the regulation of land use activity. It is expected that prior to the disposal of Crown Lands within the City by either the Government of Ontario, or the Government of Canada, consultation will take place with the municipality. The City acknowledges that the Official Plan does not apply to Crown Lands.

If you have any questions, please feel free to reach out.

Thank you.
